## **HSBC CIO recognised among the top 100 CIO's in India**

The Hongkong and Shanghai Banking Corporation Limited today announced that Balasubramanian Ganesh - Global CIO for its Retail Banking and Wealth Management business and Head of Application Development and Maintenance was honoured with the Business Transformers Special CIO100 Award.

The award was received for HSBC's digital transformation project that involved utilising various facets of modern technology to enable it offer a variety of digitally enhanced products and services to customers.

The CIO100 Award is an annual award that recognises and honours organisations and their CIOs for showcasing stellar leadership and outstanding IT implementations supporting their business.

Speaking about the award, Balasubramanian Ganesh said "I am delighted to receive this prestigious award on behalf of the entire team that supported our digital transformation project. Our transformation would not have been successful without the full participation of all our colleagues, who enthusiastically joined in the mission and believed in the vision we set out to achieve."
