## Yogesh Aggarwal appointed as India Research Head, HSBC

HSBC announced the appointment of Yogesh Aggarwal as its India Research Head. In this new role, he will oversee the day-to-day operations and manage the equity research products across all sectors for HSBC Securities in India. Yogesh is based out of Mumbai.

Speaking on the appointment, **Hitendra Dave, Head of Markets, HSBC India**, said "Yogesh's expertise and experience complements HSBC's key strengths. He is well-versed with HSBC's equity views and strategies and I am certain that he will ably steer our team to deliver quality equity research for our clients. We look forward to benefitting from his experience."

Yogesh has been with HSBC for over seven years, covering the information technology (IT) and automotive sectors. Prior to joining HSBC, he worked with a multinational bank where he covered European software and IT services companies. He started his career in the technology industry with Tata Consultancy Services (TCS) before moving into financial services. Yogesh holds a MBA from the Indian School of Business (ISB), Hyderabad and has an undergraduate degree in electronics engineering from National Institute of Technology (NIT).

**William Bratton, Head of Equity Research, Asia-Pacific, HSBC**, said "During his tenure at HSBC, Yogesh has demonstrated his ability to develop and secure a strong client franchise. We look forward to him bringing this drive, enthusiasm and consistency to the Asia Equity Research management team as we continue to strengthen our India research franchise."
